### **Old Business:**

Cost is \$24 per person - includes entry to the game, access to the pool area, the all-you-can-eat buffet, and the girls will be on the field in uniform with the R-Phils players during the National Anthem. ### **Unfinished Business:**

- ✚ ***FGSA 12U-B Tournament (5/17/14 and 5/18/14)***

Still in need of some volunteers – please contact VP Chris Malinowski.

Field maintenance – 8 am is game time, please get the fields prepped the night before, or get up really early.

Field prep people will be responsible for welcoming teams coming in for their first game, and making sure they are there and ready to go on time.

Field prep people will also need to be available for any questions other teams have, reporting in scores, and checking if trash cans need to be emptied.

### **New Business:**

- ✚ The FGSA requires all of our head and assistant coaches to take concussion and cardiac arrest training at least 1x every 3 years.

You can take these courses on-line for free through <http://www.sportsafetyinternational.org/>. Simply select "ConcussionWise" and "CardiacWise" on the left hand side, and follow the steps to enroll in each course. They don't take too long (20 minutes or so each), and again, they are free.

The following coaches must still take these courses before the season begins...

Kevin Pavlick – pending  
Shawn Moliatu – pending  
Shannon Fleming - pending

### **Announcements/ Discussions:**

- ✚ Umpire Fee for non-league games – FGSA will cover the fee
- ✚ The BCGSL leadership supports the following in terms of 7<sup>th</sup> grade softball players - girls in 7<sup>th</sup> grade only play school ball and 6<sup>th</sup> graders play on the 12U-A teams. The topic will once again be discussed at the end-of-year meeting.
